

# WEST LANHAM HILLS CITIZEN

February 2024 Next Meeting: Thursday February 1 at 7 PM at Park Building

## President's Corner: Lan Tsubata

Happy New Years! I hope everyone had a beautiful holiday and a great start to 2024! As we have already received our first snow of the year, I just want to remind all our neighbors to please shovel your sidewalks and park your cars on the even side of the road to ensure easy access for the snowplows to get through.

I did see young people out helping neighbors shovel walkways and driveways and was very proud of our West Lanham Hill youth!

I would like to also recognize our awesome neighbors Marsha and Catilin Dabolt. They took the initiative to trim plants and clear the area of any obstructions, so we can now all see our beautiful welcome sign!

Our first meeting of the year will be held on **Thursday, February 1**. Our County Council member Eric Olson will be attending the meeting so if you have any questions or concerns for him, please come! Your ideas and concerns matter!

## Holiday Event a success!

On December 9<sup>th</sup>, neighbors joined together to enjoy pancakes, festive music and pictures with Santa.
