

WEST LANHAM HILLS CITIZEN

Edition: June 2024

Next Meeting: Thursday, June 6 at 7 PM at the Park Building

President's Corner:

What a great turn out we had at our annual meeting last month! We were able to vote on our yearly budget and discuss many ideas and concerns, including the parking issue in our neighborhood.

A decision was made to conduct a feasibility study of the parking in our neighborhood. A questionnaire will be circulated to help us further understand the parking issues that are affecting each resident.

As summer approaches, we want to remind you of our two summer events, Outdoor movie night and back-to-school supply give away. We need volunteers to help run these events. If you are interested, please come to our June 6th meeting or email me at lantsubata@gmail.com

A big congratulations to all our graduates! We are proud of you all and can't wait to see what you do next!

Rebekah Rowe, born and raised in West Lanham Hills, to parents Lee & Helen Rowe, graduated from The Catholic University of America. She received her Bachelor of Arts in History and plans to continue on for her Masters in Education. Congratulations Rebekah!

Outdoor Move Night

When: Friday, June 21

Time: 7 PM

Let's kick off summer together! Join us at the West Lanham Hills Park at 7pm for an outdoor movie night. Bring a comfy blanket or favorite pop-up chair. Snacks and drinks will be provided.

Some wonderful people attending the movie night are our neighborhood committee members! They will have information about the work their committee is doing as well as opportunities for you to get involved!

If you would like to volunteer, please contact Sarah Tsubata, 785-341-5042 or sarahtsubata@gmail.com

If you have any questions about the movie night, you can contact Sarah Tsubata or Michael Chodos, michael.w.chodos@gmail.com

Board Game Night:

The once-a-month game nights have been a great way to have fun and get to know your neighbors. The summer schedule may vary but we will have a game table set up at the movie night on June 21st. Come check us out!

If you are interested in joining the fun and game committee please contact Michael Chodos, michael.w.chodos@gmail.com

Spring Clean Up/Green Up

Thanks to all our volunteers that came out on April 26th and 27th to beautify our neighborhood!

The West Lanham Hills garden committee cleaned and cleared our entrance sign area. Shrubs and lights were later added by the committee making our sign more visible and beautiful! Thank you to Jillian Nowlin, Scott Condren, Michael Chodos, Emily Kuehn, Alicia Denning, and Jason Finley.

About 35 volunteers of all ages, picked up trash off the streets, curbs and overgrown areas. Many bags of trash were collected along with dumped items like chairs, mattresses and tires. If you see anyone dumping, please report it to 311!

Special thanks to our organizers Michael Chodos and Sarah Tsubata! Our community is made better by all of you!

Looking for a forever home!

Hi WLH neighbors! My name is River. You may have seen me around the neighborhood before, but now I live with my foster family on Garrison Road! When my foster family started feeding me they thought I was a feral cat, but then they realized that I was just a shy stray. While it's true that I am shy at first, I am actually very friendly and love to be around other cats and people. Don't be fooled by my tough exterior; I am really just a lover!

I have had a hard life as you can see. One of my ears has been badly damaged as well as one of my eyes. But I've left the fighting life behind. Now I am looking for my furever home! I like other cats, but I also have FIV so I either need to live in a home with other cats that have FIV or by myself with my human family. I am a very friendly guy and my favorite thing to do is sit on laps and get pets. Do you have a space for me in your home or know someone who does? If you do, email my foster mom Jillian at jillian.nowlin@gmail.com. I would love to meet you!
